

**WHITE LABS** | ASHEVILLE, NC

**32.5%**  
**SAVINGS**

**OVERVIEW**

White Labs is a company focused on fermentation and yeast in brewing processes. Industry leading biochemists, they advance science and education for production, purity and freshness in liquid consumables..

**GOAL**

Save 15% in water usage consumption with 0% effect on water flow rate and PSI.

**RESULTS**

Installation took three hours with normal resumption of water services. Pressure and volume flow rates were tested and validated. Water services have been observed by onsite operational and facilities engineering.
