

# 50% SAVINGS

## OVERVIEW

Chicago Note Ventures is in a property ownership group, with investments in retail, commercial and industrial spaces across the U.S. This building was the former Sears and Roebuck magazine production center and has 1,200,000 sq. ft.

## GOAL

Save 15% in water usage consumption with 0% effect on water flow rate and PSI.

## RESULTS

Installation occurred over 6 hours with normal resumption of water services. Pressure and volume flow rates were tested and validated at the pre-install levels. The onsite manager of 30 years said this project might be the best project delivery he has ever seen.
